In Loving Memory
of
Delric James Canaday
On September 17, 1975, God blessed our family with the gift of Delric James Canaday, born at Lakenheath Air Force Base in England. At three months old, he traveled with his family to Edwards Air Force Base, California, where his father was stationed. In 1982, he returned to England with his family until 1985, when they settled in Citrus Heights, California, where he lived most of his life.
Delric graduated from Mira Loma High School in Sacramento. During that time, he joined the school band and loved playing the saxophone, earning a letter in band for his dedication.
Delric was full of life and always willing to help anyone. He was never afraid to share his thoughts and enjoyed passionate debates with anyone willing to engage. A true trivia wiz, he also had a versatile singing voice and loved sharing his talent during karaoke nights.
Delric was preceded in death by his father, Andrew Thomas Canaday. He is survived by his mother, Lorraine Perkins Canaday; his brother, Daren Frederick Canaday; his sister-inlove, Eva Stockton Canaday, whom he adored; along with

cousins and many dear friends.
We are blessed with many precious memories, and Delric will always hold a special place in our hearts. Though his time with us was far too short, the joy, laughter, and love he shared will continue to live on in all who knew him.
To God be the glory for the life of
Delric James Canaday
