

Anthony Michael Cole Showers

March 7, 1997 - February 12, 2021

Anthony Michael Cole Showers was born Friday, March 7th ,1997 in Sacramento, California. He was born to his father Clayton C. Cole and mother Gina Z. Green Showers. To our sadness Anthony passed away at home on February 12th, 2021.

Anthony lived in Sacramento, California where he attended school, worked, and established many friendships. Anthony, also known as A.C., had a love for shoes and clothes to the extent his idol A\$AP Rocky inspired him to start his own fashion line- @positivityclothing. He had his ways with putting together an outfit no matter the colors. Anthony had plans to one day go to New York and Vancouver to pursue his clothing line and ideas. Beyond fashion, Anthony loved music, animals, and family... especially his grandmother Donna Riggs. He would drive two hours to come eat his grandma Etta's dressing with his cousins in Fresno, Ca every Thanksgiving. Anthony's bright eyes and big smile would light up the room . He always came with the jokes or dance or a recording of himself being goofy. Anthony also spent the last six years building many memories with the Cabrera family who he loved and was thankful for. Anthony was also thankful to Barry Hickman and Jeff Fox for always stepping in. Anthony was a very outgoing young man a loving son, big brother, a grandson and a incredible nephew and cousin and great friend. Anthony was preceded in death his paternal grandmother, Linda Iorg, his maternal grandfather, Harry Showers, and his cousin, Garren (JuJu) Bookman.

Anthony leaves to cherish his memory- hiis father, Clayton Cole, his mother Gina Green Showers, his maternal grandmother, Donna Riggs, sister Avionna Cole, and a host of aunts, uncles, cousins, and friends.

We explore you all to show kindness, an openness to talk, and more importantly to listen, to see, and to hear without judgment. If this message were to only to save one family from the pain and anguish of losing a loved one through bringing awareness to this tragic and senseless loss of life then our beloved Anthony's death will not be in vain. "Check on your friend – positivity."

The family wishes to acknowledge each of you for coming, calling, sending cards, helping with donating, helping prepare food or to assist us with the home-going services. The kindness you've shown us during this difficult time in our lives is appreciated more than we can express in words.

With love,
Anthony's family
