

Betty Anne Osborne

November 12, 1946 - September 24, 2024

Betty Anne Osborne, aged 77, passed away on September 24, 2024 in Roseville, California. Born November 12, 1946, in Wytheville, Virginia, Betty remained connected to her rural roots even though the family would move to Washington D.C., Maryland and Maine over the next 13 years, adding 3 siblings along the way.

Betty moved with her family to Sacramento in 1960. She graduated from Roseville High School. Following her father's example, Betty dedicated much of her life to serving her country, through her work in Air Force Logistics. She began her civil service career in 1965 at McClellan Air Force Base in Sacramento and, after 37 years of commendable service, retired from Wright Patterson Air Force Base in Ohio, where she worked in the HQ Materials Systems Group as a Systems Analyst.

Throughout her life, Betty maintained a keen interest in genealogy, tracing family histories and connecting past generations with present ones. This hobby was not only a testament to her love for history but reflected her deep appreciation for her roots and family bonds.

Betty was preceded in death by her parents, Jackson G. Osborne, Sr. and Emma C. Stuart Osborne. She is survived by her sister Deborah L. Osborne, her brothers Jackson G. Osborne, Jr. (the late Judith) and George W.

Osborne (Sharon), and her beloved nieces Meagan Osborne, Arianna Osborne, and Amy Eoff, along with numerous family and friends throughout the Ohio, Virginia and Carolina regions.

Betty's life was marked by her commitment to her family, her career, and her passions. In lieu of flowers, contributions may be made in her honor to your favorite charity, continuing her legacy of kindness and caring.
