“ I remember Dave and Wendi going to the re-enactments. They had such a great time and always looked forward to it. My prayers are with his family, but I know they each have beautiful memories to keep with them.

“ Oh Dave! You are such an amazing person, all of the reenactments we did together. An amazing time we had!

I remember meeting you and you telling about some safety violation I had to correct. From your love of people , your wit and enthusiasm to your smile, it is always a sure thing we know what we had to do to be safe at our civil war reenactments.

Thank you for you. It is an honor to know you, and you will be so missed. One thing is for sure, we won't forget you, and will continue on safely with you in mind. Your legacy lives forever!

Love you brother ,

“ *Uncle Dave will always and forever be my favorite uncle! His kindness, generosity and love for his family are just some of his qualities. He was also an amazing historian who loved eating chocolate ice cream with his pie! I will cherish the memories of Uncle Dave floating in the pool reading his book. I love you Uncle Dave ~Sarah*
