“ *Tom and family, there are no words that will express how sad it is that Doreen has passed. She Loved her family so very much and it will never be the same without Doreen taking care of them. Doreen was a friend to me that I will always cherish her friendship. Her smile & personality will never be forgotten. Very difficult to understand her passing and to be able to except her passing. Our prayers go out to Tom & family. Doreen was the best and will be missed: Rest in peace my friend.*

*Love to all,
Nancy & Tom*
