“ *Judi Naill lit a candle in memory of Gary Paul Naill*

“ *Heaven will get a kick out of Gary's humor. I know I always did. As my brother's father-in-law, Gary and Judy were at the usual family gatherings. He was generous in sharing his wit and insights with me. We swapped stories and expounded on the fate of the world together. He was a good man and he will be missed. Be gentle up there with them, Gary. They may have to loosen up their laugh muscles a bit at first.*
