Say high to Nona, Noni, my dad, my mom, my brother David, uncle Geo & aunt Ann for me. Don't give them too much grief, okay? We'll all miss you. Love Toni & David

“ *RIP Cousin GiGi. We hadn't really been close, but we were from different generations and decades apart in age, so there's that. Yet, I always remember you having a mischievous and slightly twisted sense of humor, and that was something I admired, as I can sure relate! I am sorry we never had the chance to reconnect, and you'll be missed.*

I have a lot of great memories from knowing George. Just to say a few. We both started at the State Printing Plant different shifts in the Pressroom. We were layer off and eventually rehired in the State Printing Plant Support Services. Eventually going back to the Printing Plant in the Bindery. We went hunting and fishing a lot! We would go back to work after these trips and tell of our adventures with some very enthusiastic friends at Support Services and the Printing Plant. I miss our crazy drunken times but will forever cherish them all. My memories of our times together always brings a smile to my face. You are missed.
