

Gloria Wellborn

September 1, 1951 - January 31, 2024

Gloria Wellborn, 72, of Roseville, CA passed away and went home to our Lord on Wednesday, January 31, 2024. She passed peacefully with her daughter Andrea Weber by her side.

In the early days, Gloria enjoyed being a devoted stay-at-home mom and in later years obtained her AA degree from Sierra College with an emphasis in fashion and marketing. Her eye for design and attention to detail was exquisite. Gloria loved to decorate her home for the holidays and try new seasonal recipes. She had a zest for life and was always up for a new adventure whether it be a trip to Hawaii, boating with her husband, exploring beautiful Lake Tahoe or a family trip to Disneyland. She was a gifted crafter, loved to get dressed up and enjoyed country dancing.

Gloria is survived by her husband of 39 years, Chuck Wellborn, children (youngest to eldest) Ashley Card (Wellborn), Brandon Curran, Dawn Curran, Andrea Weber (Curran) and Jon Curran, stepchildren Chad Wellborn and Andrea Wellborn.

Her grandchildren Owen Card, Easton Card, Brielle Card, Myles Card (coming 5/24), Noah Curran, Christian Curran, Aiden Weber, Randy Weber, Alexis Weber, Austin Weber, Zachary Hunt, Quentin Hunt, Anisah Beaston and Madalynn Dobek.

Her sudden departure comes as a great shock. It is gravely felt by her entire family and friends who loved her deeply. The family appreciates your support during this difficult time and if desired, memorials may be made to the charity of your choice.

For those who knew Gloria well, know that she was an immensely private person. In honoring her wishes there will be no services offered, but we ask that you take a moment and share memories and photos.

The family asks you to please keep Chuck in your prayers as he is currently battling health issues of his own.

Privacy is requested and appreciated at this time.

“Gloria was a great friend in high school. She and her boyfriend doubled with me and mine a lot. I remember going to The Tolo Dance and then to the park afterwards in 66'. I lost track of her after I got married but re connected with her a few years ago on FB. RIP my sweet friend.

“I'm Gloria's niece, Ilene Joseph. I can remember playing mud pies by the garage after a rain. Me, Nancy and Gloria. We were all close to the same age as little girls. I lived across the street from her so I was always over at their house.

“Walking to class with Gloria in 1966, with a big smile. She says "I know I'm irresistible." I laughed and said, "you're about as irresistible as that pole." I'm here today to say I survived her reaction.

I'm Charlene. Gloria and I were bingo buddies and good friends. I could tell some funny stories about us but I will save those in my memories of her. I'm in shock about this and so sad for her family.
