

## Jacqueline Reitenbach

February 16, 1987 - March 21, 2023

A mother, daughter, sister, and friend. If anyone knew Jacqueline, she could light up a room you could see it from space. She loved her family more than anything. Her pride and joy are her son and daughter, Jacob and Jasmine. She loved them with all her heart. Jacqueline was small, but fierce. She had such a tender heart and was such a hard worker. She would constantly tell her family, "people underestimate me and only see me as this small woman, but I know I am stronger than some of those guys out there!" Though we all struggle with our own internal demons, she never wanted to be defined by those demons she faced daily. She looked to God for a lot of her guidance, trusting he had his own plan for her. Unfortunately, she was taken from us at the young age of 36 on Tuesday, March 21, 2023. Not a day goes by that this all feels like a bad dream, hoping to wake up and be able to call her or hear her voice or laugh. We will meet again, Jacqueline. I hope that everyone can have fond memories of her that you all shared, a time where she sparkled and laughed and made you forget about all the worries in the world.
