

Jane C. Eilman

July 17, 1935 - November 30, 2020

Jane C Eilman passed away November 30, 2020 and is now at rest with God. She will be laid to rest at the Sacramento Valley National Cemetery in Dixon CA. A place she said was beautiful and peaceful. Jane will be greatly missed by Raymond Eilman, her forever loving husband of 62 years. She was preceded in death by her parents August Witte, Rosemary Witte and brother Bob Witte. She is survived by her brother Dan (St Louis, MO) son Michael (Greensborough, NC) daughter Kathleen Paine (Roseville, CA) and daughter in law Sue Bedbury (Land O Lakes, FL) whom she also loved dearly. Her Grandchildren Michael Eilman, Brianna Eilman, Christina Eilman, Sara Romo and Great Grandson Mason Romo.

Jane worked for Sears selling appliances for many years. She was motivated and worked hard to excel in her position. She balanced both her career and her family time as family was always most important to her. She participated in bowling leagues and liked to make decorative items out of porcelain. In the early 1980's Ray and Jane took a dream vacation to Brazil, it was an experience that they never forgot.

Ray and Jane moved from St Louis MO to Rocklin to be closer to their daughter Kathleen, husband Rick and Granddaughters Christina and Sara. They were very close and spent as much time together as possible. There were always family gatherings, shared vacations to San Diego, LA, SAN

Francisco, Lake Tahoe, and Reno. Once in Rocklin she found work serving food samples in Costco and developed many close friendships with her co-workers. For many years all those people got together for a monthly lunch. Jane was very social and always interested in meeting people.

Jane and Kathleen had an everlasting unbreakable bond and over the past 15 years they were together almost everyday. They met for coffee, they attended Church as much as 5 times per week and Jane was always with Kathy to accompany her while she took care of her disabled daughter. Kathleen Loved her Mother so much she would do anything to help her and did.

Jane will be greatly missed by her family and all that knew her.

“ God saw you getting tired and cure was not to be. So He put his arms around you and whispered, “Come to me.” A golden heart stopped beating hard working hands at rest. God broke our hearts to prove to us He only takes the best! ❤️

May you Rest In Peace today Grandma Jane Eilman! You will always be remembered and cherished in our hearts! Love you!

“ Jane: Today was tough as we spent our first Christmas without your presence. It was less than 4 weeks ago that you left our world which put a void in our hearts as we really miss you. Kathy, Ray and I had our first Christmas dinner without you, I kept thinking I should put a plate out for you.

I first met you in 1986 and you were so nice and accepting of me. No matter what family event we were planning both Ray and you were going to be attending. We drove all over this state, we went to Monterey, San Francisco, Disneyland, the San Diego Zoo, Lake Tahoe and even the Ponderosa. We celebrated Birthdays, Holidays and weekends, it was always great to have you there and you guys never missed our family get togethers.

You were always so kind and willing to go along with us so the family could be together. We miss you so much, God Bless you for being such a great person.

*Love
Rick*

“ Mom, you were the most kindest, thoughtful and loving person i knew. As we were growing up you gave us all strength to carry on no matter what. Your fearless attitude in working in a male dominating profession and succeeding in it and the humility you brought with it was a major guiding point for me. Your love for all of our friends you showed, the laughs with them, an occassional wine with us all and that quaint little giggle of yours is something to cherish always!! I miss you mom, youll be loved always! Mike

“ Sending our thoughts and prayers with our sincerest sympathy for your loss. Kathy and Rick have been our dearest friends for nearly thirty years. We were fortunate to know and love Jane and Ray during that time. We shared many special events together and grew to love the entire family as our own. Through good times and bad, Jeff and I and our daughters were always welcomed with open and loving arms. We will miss Jane always. Jane was the sweetest lady and her kindness towards others will be in our hearts forever. I will always remember her devotion to her family as a wife, mother and grandmother. Jane was truly one of God's special ones. May the peace of our Lord be with Jane and all her family during this sad time. With all love and prayers. Jeff, Cathy, Sarah, Stephanie and Sindy Jordeson

“ *My grandparents, Ray & Jane Eilman, on their wedding day. I have always thought this picture was so beautiful, a perfect display of the love and joy these two amazing people brought to each other. My grandma was one of the kindest, most loving women I have ever known. I will always be grateful that I got to grow up with her as such a big a part of my life; grandma was always there for all of us with a kind shoulder to cry on. I'll never forget how we bonded over our love of sweet treats, romantic suspense novels. We love you so much and will always miss you.*

“ Jane was my father's cousin. They were very close here in St. Louis and also after Jane and Ray moved to California. Jane and my father talked on the phone ever week or once a month. Jane and my dad were very close. After my father died Jane and I talked frequently about life and general. Jane was so involved with family, friends, and taking care of of all those around her. Jane was so amazing and awesome. She will be missed by everyone who loved her.
