“ *My father, was born in Bastrop, TX in 1931. He and his family picked tomatoes and cotton to earn a living. As a teen, he told his father he didn't want that life for himself and asked if he could finish school instead. And he did. From there, he joined the Air Force, met and married my mother whom he was married to for 70 truly happy years, raised 5 children, received an associates degree, and traveled the world defending this country proudly for 26 years. After that retirement, he became a Postal Carrier and did that for 18 years. And so, he was a tireless worker. Never complained. Ever. We are extremely proud of our brave and loving father, grandfather, and great-grandfather.*
