“ Stephen Lee Michels was born July 31, 1953 in Sacramento, California. There he attended Sacramento High School and would go on to graduate from Bell & Howe School of Technology. Stephen along with his brother Dale shared a mutual passion for drag racing the Kawasaki H2-750 for a number of years. However, due to a disability Stephen would end up under the constant and loving care of his brother Dale Michels until his passing on May 14, 2021. Stephen will be missed. He had an incredible memory, and was a kind, gentle soul. Rest in peace Stephen. Until we all meet again.
