My deepest condolences to you and your family but mostly to the women who cared for him and cherished him and help raise him when he had no one during his younger years of life. Terri Gomez his adopted mother, who loved him as if he were her biological child. May God bless you Terri for everything you did for him. I am sorry for your loss. My heart breaks for you knowing that the promise he was promised was not completed when you should have been notified in time so that you could say your final goodbye and have closure. However, I am sure in his heart he knew you were there in Spirit. Also, my condolences to his son Dale. My prayers are with you little one. May God give you strength.
